

A NEW **MEMORIAL WALKWAY** FOR EMMANUEL

Help us upgrade the patio, fountain, and walkway area between the sanctuary and Havermale Hall. The rough, uneven surface we currently have is very hazardous. It's only a matter of time until someone falls and gets seriously injured. We really need your support for this project. To help raise funds for the project, we're offering you the opportunity to order a personalized memorial paver which will be installed in the patio area.

All donations are welcome. You do not have to be a current member at Emmanuel to participate. All donations are tax deductible.

Your memorial paver can commemorate a special person such as a parent or grandparent, an event like a birth or baptism, a family name, your military service, a beloved pet, etc., as long as we can fit the text on the paver. Optional logos are also available. Please see order form.

If you would like to support the project but do not want to have a memorial paver, donations of \$500 or more will be acknowledged on a special plaque which will be installed in the patio area.

Our goal is \$72,000. Construction will start as soon as we have the funds available

God Bless You & Thank you in advance for your participation.
